## Council Notes

It's been an incredibly busy year, but it's almost over and we can pat ourselves on the back and say "Good Job". The Council and your staff was hard at work so we could assist with presentations such as; Canadian Half Pints - Anti-bullying presentation, Exhale Fitness, All Together Now - Jigga Jump, BBN Business to Business Network, as well as the School Dances and Awards Presentations. We raised almost \$10,000 and were spent on our children to help them grow in a positive light.

## Have a Great and Safe Summer

The council wants to wish everyone a great summer vacation. Play safe and have fun where ever you go. We will see everyone in September for another great school year.

## Congratulations to the Graduating Class of 2009

**It is with great pleasure that we Congratulate this years Graduation Class. We have seen our children grow from small children to young adults. They have worked hard and played hard. They have represented our school as proud students and athletes and never quit in anything they did. It is with mixed feelings of sadness that we must see them go and happiness that we usher them in a new chapter of their lives, but one thing is for sure and that is we are extremely proud of them. We wish them all the best as they begin their new journey in High School.**
