

WRITE FOR LIFE™

Inspire others with your words of wisdom, consciousness to new ideas, blessings of hope, revelations of an illuminating journey, recollections that replenish the spirit, or rejoicing stories of courage and triumph. An inspiring artistic submission will also be chosen for the book cover.

Wings of Hope™ is designed to help each of us connect to a deeper and greater understanding and appreciation of life and the potential that it offers. Life is a gift, and the best way to honour that gift is to, like a butterfly, simply take wing and fly.

PRIZES:

- Along with an acknowledgement in the "Wings of Hope" book,
- The student who **submits the most inspiring selection will receive \$100.00.**
- The student who submits an **artistic selection chosen for the book cover receives \$100.00**
- The school with the most submissions will receive a plaque.

DEADLINE: November 30, 2009
