Those Who Care, Teach

The United Nations has officially declared Monday, October 5, 2009 as World Teacher Day. We join hundreds of other organizations throughout the world in recognizing the caring and generous ways in which our teachers help our children grow in their Catholic faith and expand their knowledge and skills both inside and outside the classroom. We are proud of the commitment and dedication of our staff for their efforts to ensure that our students are able to develop and achieve their personal best.

Terry Fox Walk

On Monday, September 28, our school participated in our Annual Terry Fox Walk. Students raised \$695.27 toward cancer research.

Things you should know

Student Safety

Your child's safety is always a priority at St. Dunstan School. Together with the Peel Police the board has developed a "lockdown" procedure to keep schools safe during any potential serious incident. This is another way to ensure safety in addition to the fire drills and evacuation procedures that are already in place. We will be practicing our lockdown procedures with all staff and students on Monday, October 5.

Open House

Thank you to all students and parents who attended our Open House/ Curriculum Night on September 24. There was an excellent turn-out and your presence indicates your strong support and interest in your child's education.

Thank you also to our trustee Luz del Rosario for attending.
