After election was concluded Mrs. Taccone encouraged council to consider a fundraising sub-committee. This committee would be the key in finding various fundraisers for the school and would coordinate the events as they occurred. She reminded council that all member of

council play an active part in all fundraising events as this represents one of the key functions of council.

Council inquired as to weather or not staff generated wish lists for council to use for consideration when allocating funds to the school. This is an item under consideration and will be reviewed at the next meeting.

Mrs. Macerola reviewed council's financial statement. She indicated (as per her handout) that council has approximately \$12,000 in the bank. Some of the funds have been allocated (computers).

Meeting adjourned at 8:45pm
